PRESIDENT: You are most welcome to visit the Legislature. We like to have you here keeping in touch with public issues. Thank you. General File, 643.

CLERK: Mr. President, LB 643 was introduced by Senators Pappas and Lowell Johnson. (Read.) The bill was read on January 22 of last year. It was referred to the Health and Welfare Committee for hearing. The bill was reported to General File, Mr. President. There are committee amendments pending by the Health and Human Services Committee. (See committee amendments found on page 1173 of the Journal.)

PRESIDENT: Senator Lynch, I guess...are you going to handle this bill, LB 643, for the committee amendments, yes, as Vice-Chairman of the Health and Human Affairs Committee.

Number two, specifies that the deposit to the trust is made by the pre-need seller. Three, specifies that the pre-need seller does not hold the trust itself, but the financial institutions hold the trust. Four, for clarification purposes, references to specific sections in the bill are inserted. Five, changes the term pre-need seller or agent to licensee in the license revocation sections; and, number six, it adds expired license to those licenses which may be reinstated if no reason exists for revocation. We have a copy of the bill and, of course, they are described and were published in the Journal. I would move the adoption of the committee amendments.

PRESIDENT: There are amendments on the desk to the committee amendments.

CLERK: Mr. President, Senator Pappas would move to amend the committee amendments. (See Pappas amendment found on
